## Alice Springs Cycling Club 2018 Events Calendar

Nominated race directors are to take responsibility for organising the event including finding additional support for marshalling, timekeeping and course-setting. If unable to direct a race the nominated person needs to swap with someone else or contact the ASCC committee to arrange a swap. All riders from 2017 are expected to assist by directing or assisting with at least one race. Contact committee members or the [wheelstories@gmail.com](mailto:wheelstories@gmail.com) address to obtain advice regarding event details and equipment requirements. The race box can be collected from the previous race director or the clubrooms. Please start preparing for the event at least two days in advance to avoid rude surprises.

All riders are required to have a current Cycling Australia membership or are to take out a day membership prior to the race:

- Ride+ or Race membership for Gran Fondos, Time Trials, Cyclocross and MTB/road joint social events
- Race membership only for all other events – track racing, Criteriums, grade races and handicaps.
- Go to <http://membership.cycling.org.au>

Membership cards or proof of membership are to be presented to the commissaire at sign-on. Riders who do not present evidence of a valid membership will not be allowed to race or participate.

All riders are required to wear race numbers. These will be provided at the event sign-on. Two race numbers are to be positioned low on the rear of the jersey one on the left, one on the right for all road events except individual time trial and team time trial where one number shall be worn.

In all road events an Australian Standards approved (AS/NZ 2063) helmet shall be worn. A helmet must carry the relevant approval sticker confirming approval and certification before a cyclist is permitted to start in any cycling event.

Race Fees: TBC
